Dear Patron of the Arts:

The Crystal Coast Choral Society (CCCS) was founded in 1986 to afford residents of eastern North Carolina an opportunity to come together to perform choral music for the benefit of the surrounding communities. Our members come from Carteret, Onslow, Jones and Craven Counties. We offer many opportunities for involvement from our patrons. We perform several major concerts annually, in Carteret and Onslow Counties, as well as other performances throughout the year. Performance dates and more information can be found at [Crystal Coast Choral Society](http://www.crystalcoastchoral.org)

CCCS operates as a non-profit 501(c)3 organization and receives some support from the North Carolina Arts Council, a division of the Department of Cultural Resources which are awarded through the Arts Councils of Onslow and Carteret Counties. These awards must be matched by local financial support, private and business donations, and fund-raising projects

Our Music Scholarship Program awards, based on financial need, academic achievement and other considerations are awarded to students from Carteret and Onslow Counties' public schools. The amount of money collected each Fall determines the number of awards we make in the Spring of the following year. These scholarships are payable to accredited community and four-year colleges and universities. Benefitting students in two ways, our program

- 1) offers internships to high school students that affords them the opportunity to sing a major work with us, and
- 2) awards scholarships to area high school seniors who plan to major in music or music education in college.

Your generous tax-deductible contribution will help us reach our goals, as well as enrich our beloved communities with the gift of music. Donations of \$25.00 or more (whether money or items for fund raising events) will be acknowledged with your name appearing on our programs and website for a year.

Contributions to our Scholarship Program of any amount are gratefully received. If you choose to give \$500 or more, you may name the scholarship "in memory of" or "in honor of" whomever you choose, subject to the approval of our Board of Directors. Your name will appear in our programs for the season as a member of the Music Makers Circle. Your generous donation will enable a young person to perpetuate music for future generations. And through that one life, many will be uplifted.

Thank you for your support and interest in the Crystal Coast Choral Society. Contributions may be made on our website [www.crystalcoastchoral.org](http://www.crystalcoastchoral.org). Please include your Name (as you wish it to appear in the program) your address, phone number, and email address and indicate whether your donation is as a Sponsor or to the Scholarship Program. Online, you may pay with a debit/credit card or by PayPal.

If you wish to mail your contribution, please make your check payable to Crystal Coast Choral Society, Inc., and mail to
