

Choral Members - Here is some guidance on accessing the website.

There are several ways to connect:

Type in <http://crystalcoastchoralsociety.org/> OR <https://crystalcoastchoral.wixsite.com/>

Each of these addresses takes you to the same site.

Additionally, if you type in Crystal Coast Choral Society in Google, the first item that comes up is a link to the facebook page. The second item is our website.

Once on the site, you will see the menu across the top of the page. Spend some time clicking and exploring the various buttons. The buttons that contain the most useful information for you are the “Members” button and the “CCCS Store” button.

The Members button has a great deal of useful information for this season including the Practice Tracks for Part Two, the Watkins Shaw corrections, and Finley’s weekly notes.

The CCCS Store has a place to purchase our cookbook and cd’s. Additionally, you can pay your dues on the site. To pay dues, simply, click on the Spring 2020 Dues and follow the instructions to purchase with a credit card or paypal. T-shirt, bag, and hat orders will be placed here, as well.

Please contact me directly if you have any questions about the website – dpypyiw@ec.rr.com
