The Crystal Coast Choral Society, Inc. (CCCS) was founded in 1986 to afford residents of eastern North Carolina an opportunity to come together to perform choral music for the benefit of the surrounding communities. Our members come from Carteret, Onslow, Jones and Craven counties. We offer many opportunities for involvement from our patrons. We perform several major concerts annually, in Carteret and Onslow counties, as well as other performances throughout the year. Locally, we have led Christmas Carols at the tree lighting following the Emerald Isle Christmas parade in 2019 and previous years and have sung the National Anthem at the Carteret Race Track and for Onslow County's Senior Games.

Performance dates and more information can be found at [www.crystalcoastchoralsociety.org](http://www.crystalcoastchoralsociety.org).

CCCS operates as a non-profit 501(c)3 organization and receives some support from the North Carolina Arts Council Division of the Department of Cultural Resources, which is awarded through Arts Council of Onslow County. These awards must be matched through private and business donations and fund raising projects.

**Sponsor Donations:** Your generous tax-free contributions will help us reach our goals, as well as enrich our beloved communities with the gift of music. Donations of \$50 or more will be acknowledged with your name appearing on our programs and website for a year, along with notice on social media.

Patron (\$50-\$249) - Name in program for one year

Virtuoso (\$250 - \$499) - Name on program and social media for one year

Maestro (\$500 - \$999) - Name on program, social media, and website for one year

Impresario (\$1000 -\$2499) - Business logo on website, name on poster, program, and social media for one year

Symphony (\$2500 and above) - Business logo on poster, program, social media, and website for one year

These levels can be achieved by cash donation to be used at CCCS discretion or by specific targeting. For instance, this year, sponsors can choose to sponsor a particular musical selection in our concert, or one of our guest musicians. Sponsors can also combine several donations to achieve higher levels of sponsorship.

**Scholarship Donations:** Our Music Scholarship program awards, based on financial need, academic achievement and other considerations and are awarded to students from Carteret and Onslow Counties' public schools. The amount of money collected each fall determines the number of awards that we make in the spring of the following year. These scholarships are payable to accredited community and four-year colleges and universities. Our Music Scholarship program benefits students in two ways:

- 1) Offering choral internships to local high school and college students that would afford them the opportunity to sing a major work, and
- 2) Awarding scholarships to area high school seniors planning to major in music.

Contributions of any amount are gratefully received. If you are inclined to give \$500 or more, you may name the scholarship "in memory of" or "in honor of" whomever you choose, subject to approval of our Board of Directors. Your name will appear on our programs and website for a year as a member of the "**Music Maker's Circle**". Your generous donation will enable a young person to perpetuate music for future generations.

Thank you for your support and interest in the Crystal Coast Choral Society, Inc. If you wish to make a contribution, please make your check payable to: Crystal Coast Choral Society, Inc. and mail to:
